Hi-Tech LED Keyring 2x2032

Energizer

BRIGHT

- White LED provides light equivalent to many larger flashlights

COMPACT

- Small size fits easily in purse, pocket or backpack

DURABLE

- Metal construction means a long-lasting light
- Sturdy attachment clip secures light to keychain

ECONOMICAL

- Extended runtime means fewer battery changes
- Lifetime LED never needs replacing

LEHH D2BU1

European Region

Compact and easy to use, the LEHH D2BU1 provides the light of a larger flashlight in a small format. It features a sturdy attachment clip and an all metal body. In addition to the 30-hour run time, this light has replaceable batteries. No need to buy a whole new light, just change the batteries.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
